

LGB & Co. COVID-19 UPDATE

Firstly, and most importantly, we hope that you and those close to you are well and managing in these challenging times.

We would like to let you know that LGB has activated its Business Continuity plan and therefore all members of staff have the ability to work remotely or in an office, in accordance with government guidelines. Our priority has been to try and protect the health and ensure the safety of all our employees and visiting clients.

Fortunately, our online capability provides us access to the information and communication channels that we need to continue to serve our clients across both LGB Corporate Finance and LGB Investments.

We are actively conducting business, offering support and advice in the expectation that this situation will eventually pass. We can be contacted by phone or email and can arrange a video-link meeting if preferred.

We look forward to hearing from you.

Best wishes from all of us at LGB & Co.
